Childre Nissan lends local organization helping hand

Vaishali Patel, The Union-Recorder

MILLEDGEVILLE — Childre Nissan of Milledgeville presented Georgia Cancer Support (GCS) with nearly \$3,000 Thursday.

The business held a Sell-A-Thon fundraiser last week, donating \$100 for every vehicle sold, selling a total of eight cars. John Milledge Academy's Anchor Club and cross country team also did a Phone-A-Thon during the event, raising \$1,200, while Georgia College's mass communications class raised \$800. Apparel Ink also donated T-shirts to the organization.

Pictured are Childre Nissan Owner and Manager Jason Childre, Childre Nissan Founder Jimmy Childre, GCS Founder Robbie White and GCS Planning Event Coordinator Donna Bryant.

GCS is a Christian-based cancer organization that operates off donations and fundraisers. One hundred percent of proceeds collected goes toward patients' needs and operating costs. The goal of GCS is to improve the quality of life for each cancer patient who requests the organization's help.
